# Member Benefits

## Industry

### Advocacy and Lobbying

#### REPRESENTATION, SUPPORT & GENERAL ADVICE

Stay informed on issues impacting the day hospital sector and therefore, your customer base.

All Day Hospitals Australia Members are represented at a State and Federal Government level on a wide range of topical issues via numerous committees and in the support and promotion of the day hospital sector.

#### COMPANY LOGO & PROFILE

Your company details are uploaded onto the Members page of our website for Members to search, view and contact.

In addition, new members receive a Member Benefits brochure which provides them with a brief company profile, contact details and website link.

#### MEMBERSHIP PACKS

Supply us with your latest brochures for inclusion in our Membership Packs which get sent out to all renewing members at membership renewal time, as well as all new members that join throughout the year! We assist you in the coordination of this closer to the time.

#### DAY HOSPITAL & AFFILIATE MEMBER DETAILS

Each quarter (Jan/Apr/July/Oct), you will receive an updated excel spreadsheet which provides you with easy access to our Day Hospital and Affiliate Member database by Facility Name, Specialty, Main Tel, Address and Group (if part of a larger group).

#### CHAPTER MEETINGS - SPONSORSHIP

NSW, QLD, SA, VIC, WA and ACT have established State or Territory Chapters and meetings are generally held quarterly to bring together members to discuss local activities, challenges and events. Speakers are often invited to present on topical issues.

In addition, we seek interest from Industry Members to Sponsor and present at a local Chapter Meeting on a product/service that would be of interest to members. Only one Industry Member per Chapter Meeting is able to Sponsor and present, so we encourage Industry Members to liaise with Day Hospitals Australia to register their interest.

#### ANNUAL NATIONAL CONFERENCE - SPONSORSHIP & TRADE

Members receive discount upon registration as either a Delegate, Sponsor or Trade Exhibitor at our National Conference.

As this is a significant event in our yearly calendar, there is a lot of pre-planning, coordination and commitment leading up to this successful event. Day Hospital members look forward to being presented with the latest in technology, products and services from our Industry Members via our Trade Exhibition Hall.

#### STAY INFORMED

Member communication comes in various forms including Weekly Bulletin updates, email activity, surveys or data collection, via Chapter Meetings, the National Conference and via our website.

Keep in touch with what is happening within the industry and therefore, what is happening within your customer base.

## REPRESENTATION

## ADVOCACY

## SUPPORT

## SAVINGS

Day Hospitals Australia supports and represents stand alone day hospitals within the Australian health care environment by supporting their business and their staff, facilitating communication between members and by actively representing and lobbying on behalf of members on a State and Federal level.

Industry memberships also benefit and support the organisation in promoting access to services and supplies utilised by our members.

Day Hospitals Australia also welcomes small, overnight private hospitals (<100 beds) as Affiliate members.
